

# ADVANCES IN APPLICATIONS OF SIFT-MS

A ONE-DAY SYMPOSIUM: 4 JULY 2019

GERSTEL and Syft Technologies invite you to a one-day symposium focussed on the latest applications of selected ion flow tube mass spectrometry (SIFT-MS). SIFT-MS users present their latest applications across diverse fields from routine laboratory analysis to biogeochemistry, and from pharma to workplace safety.

0830	Registration and coffee
0900	Welcome <b>TBC</b> GERSTEL, SYFT
0915	<b>Plenary:</b> SIFT-MS and the Power of Automation <b>Mark Perkins</b> Anatune, United Kingdom
1000	Use and Advantages of SIFT-MS in Proficiency Testing and Method Development at a Dynamic Test Gas Facility <b>Christiane Kaus</b> IFA, Germany Christiane Kaus IFA, Germany
1030	Coffee break
1100	Confined Space Entry Monitoring in an Industrial Environment <b>Henk van Well</b> INEOS, Germany
1125	Rapid Product Quality Screening using Automated SIFT-MS coupled with Multivariate Statistics <b>Vaughan Langford</b> Syft Technologies, New Zealand
1150	Various Applications of SIFT-MS and SHS-SIFT-MS: From Cultural Heritage to food Aroma Profiling <b>Matyas Ripszam</b> MSCi, Denmark
1210	CO <sub>2</sub> Impurities Analysis using SIFT-MS <b>Rafał Łapiński</b> Anchem, Poland
1230	Lunch
1330	Usual and Unusual SIFT-MS Applications: Real-life Case Studies from Italy <b>Andrea Carretta</b> SRA Instruments, Italy
1350	Sensitivity Improvement of SIFT-MS for Soil VOC Emission Studies <b>Ann-Sophie Lehnert</b> Max Planck Institute for Biogeochemistry, Germany
1420	Validating SIFT-MS Methods <b>Mark Perkins</b> Anatune, United Kingdom
1450	Coffee break
1510	Automated TD-SIFT-MS: A New Paradigm for Breath, Environmental and Workplace Analysis <b>Vaughan Langford</b> Syft Technologies, New Zealand
1530	Panel discussion and concluding remarks <b>TBC</b>
1600	Close

# ADVANCES IN APPLICATIONS OF SIFT-MS

A ONE-DAY SYMPOSIUM: 4 JULY 2019

## BENEFITS OF ATTENDING:

- Network with other SIFT-MS users
- Hear from global experts in SIFT-MS and automated SIFT-MS
- Learn from those tackling cutting-edge analytical challenges

## EVENT DETAILS

Thursday 4 July, 2019  
0900-1600

### VENUE

GERSTEL GmbH & Co.KG  
Eberhard-Gerstel-Platz 1  
D-45473 Mülheim an der Ruhr

### COST

€250 (includes catering)

### REGISTER HERE

[syft-symposium-event.  
eventbrite.co.nz](http://syft-symposium-event.eventbrite.co.nz)

### FOR MORE INFORMATION

Contact Vaughan Langford,  
PhD, at Syft Technologies:
